Dear Supervisors:

**COUNTY OF LOS ANGELES CONTRIBUTION TO
HIGH DESERT CORRIDOR JOINT POWERS AUTHORITY
(SUPERVISORIAL DISTRICT 5)
(3 VOTES)**

SUBJECT

This action is to authorize the Director of Public Works to make the County's \$250,000 contribution to the High Desert Corridor Joint Powers Authority, of which the County is a member, to fund general operating costs for the High Desert Corridor Joint Powers Authority.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve the Request for Appropriation Adjustment transferring \$250,000 from the Fiscal Year 2008-2009 Public Works General Fund Services & Supplies to the Public Works General Fund Other Charges Appropriation to fund general operating costs for the High Desert Corridor Joint Powers Authority.
2. Approve and Instruct the Director of Public Works or her designee to transfer \$250,000 to the High Desert Corridor Joint Powers Authority, of which the County is a member.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTIONS

The purpose of the recommended action is to authorize the transfer of \$250,000 to the High Desert Corridor Joint Powers Authority (HDC-JPA) to cover our portion of the HDC-JPA's general operating expenses. This funding is needed by the HDC-JPA to continue their work that is anticipated to ultimately result in the development of the High Desert Corridor transportation project.

Implementation of Strategic Plan Goals

The Countywide Strategic Plan directs the provision of Operational Effectiveness (Goal 1) and Community and Municipal Services (Goal 3). The development of the High Desert Corridor will enhance traffic flow for County residents in the Antelope Valley, thereby improving their quality of life.

FISCAL IMPACT/FINANCING

The Public Works General Fund Budget includes a net County cost allocation of \$250,000 from Fifth Supervisorial District discretionary funds for the County's contribution to the HDC-JPA to cover general operating expenses. Your Board's approval of the attached Request for Appropriation Adjustment will transfer the funding from the Public Works General Fund Services & Supplies Appropriation to the Public Works General Fund Other Charges Appropriation so that the contribution to the HDC-JPA can be appropriately reflected.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The High Desert Corridor was officially designated in Section 1304 of the Safe, Accountable, Flexible, Efficient Transportation Equity Act: a Legacy for Users as a High Priority Corridor on the National Highway System, from Los Angeles to Las Vegas, via Palmdale and Victorville.

On November 8, 2006, your Board approved County Agreement No. 75922, a Joint Powers Agreement with the County of San Bernardino, to create a nonfunded HDC-JPA to pursue funding and provide for the planning, design, construction, financing, operation and maintenance of the new freeway/expressway, known as the High Desert Corridor, from Los Angeles County in the vicinity of the Cities of Palmdale and Lancaster to San Bernardino County in the vicinity of the Cities of Victorville, Apple Valley, and Adelanto. The formation of the HDC-JPA was recommended without financial obligations from either the County of San Bernardino or the County of

Los Angeles (County). As noted on page three of the attached November 8, 2006, letter to your Board, any subsequent obligation to provide funding for the HDC-JPA will be brought back to your Board for approval.

An allocation of \$250,000 was included in the Department of Public Works' (Public Works) Fiscal Year 2008-09 General Fund Budget for the High Desert Corridor Executive Director position. The County's \$250,000 contribution will be used by the HDC-JPA to fund their general operating costs, including any staff positions the HDC-JPA Board of Directors deems necessary.

ENVIRONMENTAL DOCUMENTATION

In accordance with Section 15378(b)(5) of the California Environmental Quality Act Guidelines (CEQA), the recommended action is an administrative activity that will not cause a physical change in the environment and therefore does not constitute a project and is not subject to the requirements of CEQA.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The recommended action will improve the quality of life for the residents of the Antelope Valley by providing funds for staff work which is ultimately anticipated to enhance traffic flow.

CONCLUSION

Please return three adopted copies of this letter to Public Works, Programs Development Division.

Respectfully submitted,

GAIL FARBER
Director of Public Works

Dear Supervisors:

**HIGH DESERT CORRIDOR JOINT POWERS AGREEMENT
(ALL DISTRICTS AFFECTED) (3 VOTES)**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve and instruct the Mayor to sign a non-funded Joint Powers Agreement (JPA) with the County of San Bernardino to pursue funding and provide for the planning, design, construction, financing, operation and maintenance of public and/or private transportation and utility corridor from Los Angeles County in the vicinity of the Cities of Palmdale and/or Lancaster to San Bernardino County in the vicinity of the City of Victorville, Apple Valley and Adelanto.
2. Approve and authorize the Chief Administrative Officer or his designee to provide administrative functions as may be necessary to effectuate the purposes under the Joint Powers Agreement.
3. Delegate authority to the Chief Administrative Officer or his designee to sign funding applications/requests, as necessary on behalf of the County.
4. Approve and authorize the Treasurer and Tax Collector or his designee to act as the Treasurer of the Authority, if designated under the Joint Powers Agreement, as may be necessary to effectuate the purposes of this Agreement.
5. Approve and authorize the County Counsel or his designee to act as Legal Counsel for the Authority, if designated under the Joint Powers Agreement, as may be necessary to effectuate the purposes of this Agreement.
6. Approve and authorize the Auditor-Controller or his designee to act as the Auditor for the Authority, if designated under the Joint Powers Agreement, as may be necessary to effectuate the purposes of this Agreement.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

This action will allow the JPA to actively seek funding for the High Desert Corridor project in order to accelerate the implementation time table. The County of San Bernardino has requested the County's action in this matter and is also taking similar action for the establishment of this JPA.

There are currently over \$340 million in unfunded transportation projects in Los Angeles County Supervisorial District Five with differing funding priorities. The North County Combined Highway Corridors Study SR-14, SR-138, and I-5 (Study) Final Report of June 2004, sponsored by Los Angeles County Metropolitan Transportation Authority, California Department of Transportation, County of Los Angeles, Cities of Lancaster, Los Angeles, Palmdale, and Santa Clarita, et.al., developed a multi-modal transportation plan which addressed short-term (2010) and long-term (2025) trip requirements for the North County. The Study addressed the construction of a limited access High Desert Corridor (HDC), a new freeway/expressway between the I-5 and I-15 which would accommodate the expected three- to six-fold increase in traffic between the Antelope and Victor Valleys. It is expected that the HDC would provide a new level of intra-valley accessibility and carry truck and other through traffic safely around existing communities.

While Caltrans has included this important highway improvement on its construction schedule, completion is not forecast until 2020. The purpose of the JPA is to accelerate this schedule through aggressive pursuit of supplemental funding.

Implementation of Strategic Plan Goals

The Joint Powers Agreement between the County of San Bernardino and the County of Los Angeles is consistent with the County's Strategic Plan Goals of Service Excellence, Community Services, and Public Safety by seeking to provide roadways that are safe and convenient for the residents of the County.

FISCAL IMPACT/FINANCING

Fiscal impact is anticipated to be minimal staff time, as the formation of this JPA is being recommended without financial obligations from either County at this time. The JPA allows the two Counties to cooperatively pursue approaches to expedite completion of this HDC project, including actively pursuing funding for this project. The JPA can apply for funding from Federal Government earmarks, State and Federal grants, the Los Angeles County Metropolitan Transit Authority, the Public-Private Partnership Program, and other available financing programs.

Also, if the Proposition 1B bond measure on the November 7 Ballot is approved, the JPA can apply for funding from that source, as well. Regardless of the outcome of this bond measure, we believe establishment of the JPA at this point is a prudent step in order to create an entity and mechanism for seeking funding to expedite the completion of the HDC project, which will provide a new level of intra-valley accessibility and safely carry traffic around existing communities.

Any subsequent obligation to provide funding for the JPA will be brought back to your Board for approval. Funding sources will be sought for both planning and design as well as construction, which could involve the issuance of bonds supported by toll revenues.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Input from the Treasurer and Tax Collector and Department of Public Works has been incorporated into this JPA document, which has also been approved as to form by County Counsel.

The JPA includes the following provisions:

- **Purpose:** To provide for the planning, design, construction, financing, operation and maintenance of public and/or private transportation and utility corridor(s) (Corridor) from Los Angeles County in the vicinity of the Cities of Palmdale and/or Lancaster to San Bernardino County in the vicinity of the City of Victorville, Apple Valley and Adelanto.
- **Term:** The JPA will become effective after each County Board of Supervisors approve the Agreement until terminated by mutual consent of the two Counties.
- **Board of Directors:** There will be five Directors, two from the County of San Bernardino and two from the County of Los Angeles, with the fifth Director chosen by a list populated by the Policy and Technical Advisory Committee. The selection process for Directors utilized under the JPA is similar to appointments to service sector councils within the MTA system. Los Angeles County will be represented by its Fifth District Supervisor and a second Director, recommended for appointment by the Fifth District Supervisor and appointed by action of the Los Angeles County Board of Supervisors, must be an elected or appointed official of Los Angeles County, the City of Palmdale or the City of Lancaster. Each Director serves at the pleasure of his or her appointing authority, with the fifth Director serving a one-year term.

- **Officers:** Various JPA officers, including Secretary, Treasurer, Auditor and Counsel, will be provided by either County.
- **Policy and Technical Advisory Committee:** There will be twelve (12) Committee members: three from each County; representatives from Adelanto, Apple Valley, Victorville, Lancaster and Palmdale, and a representative for the unincorporated area of Los Angeles County.
- **Contributions:** Contributions may be made by the JPA's members to help defray the costs of the Authority's purposes, upon separate action by the respective governing bodies of the members.
- **Liability:** The JPA will be a separate legal entity and its debts, liabilities and obligations shall not be the debts, liabilities and obligations of the member jurisdictions.

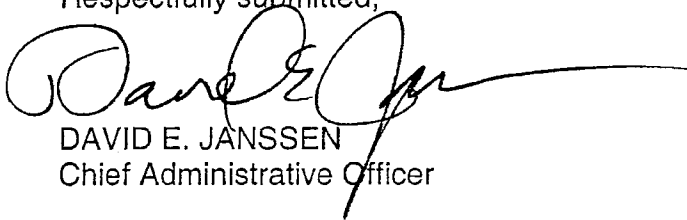

ENVIRONMENTAL DOCUMENTATION

An Environmental Impact study would begin prior to proceeding with the HDC project. The County of San Bernardino has targeted their Board agenda of November 7, 2006 to seek approval of this non-funded Agreement and has already initiated environmental and other studies related to the HDC project.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

There is no impact on current services based on this initial recommended action.
